Permanent Secretaries
Heads of Procuring Entities

Re: Amendments to the process of Tax Compliance Certification - Procurement Guidelines

Permanent Secretaries, Heads of Departments, Chief Executive Officers and other Heads of Procuring Entities are hereby being advised of amendments to the Public Procurement Guidelines, in light of the December 7th 2015 implementation of the Phase Two (2) new Revenue Administration Information System (RAiS) by the Tax Administration of Jamaica (TAJ).

The RAiS web platform essentially enables taxpayers to conduct their transactions with greater security, ease and convenience through the use of enhanced online tax services. This Phase of the Project has changed the process of applying for a Tax Compliance Certificate (TCC) and the documentation that is customarily generated. TAJ has indicated that it will no longer issue printed Tax Compliance Certificates as proof of tax compliance.

- Taxpayers will be able to submit their applications online via TAJ's upgraded web service at www.jamaicatax.gov.jm, in addition to applying for a Tax Compliance Certification at select tax offices.
- Once processed, a Tax Compliance Letter (TCL) will be generated from RAiS, instead of the previous Tax Compliance Certificate (TCC). It should be noted that these TCLs will be printed on regular paper.
- RAiS has been configured to allow the taxpayer and/or the person utilising the TCL to access and validate the details and to verify its authenticity.
- ***Guidelines for validating TCLs and for submitting TCC applications online at www.jamaicatax.gov.jm are also attached.***
- Please note that existing TCCs will remain valid until expiration. Once a TCC has expired, the taxpayer will have the option of reapplying online or in-branch, at which time they will be issued with a Tax Compliance Letter (TCL).
- Taxpayers are further advised that all tax compliance certification will be processed on a main TRN. Therefore all branches operating under a TRN must be compliant for a TCL to be issued.

Re: Amendments to the process of Tax Compliance Certification - Procurement Policy

Therefore, further to **Section 1.3.3 -Tax Compliance**, Volume 2: Procurement of Goods, Services and Works in the Revised Handbook of Public Sector Procurement Procedures (March 2014):

Procuring Entities shall request from bidders, contractors and named sub-contractors participating in Public Procurement opportunities:

- a) at the time of bid submission for procurements valued above JM\$500,000 by way of all other procurement methods **except** International Competitive Bidding (ICB) and
- b) prior to contract award for International Competitive Bidding (ICB).

During the Bid Opening exercise, the Opening Officer must note receipt of **either** the date of the TCL **or** expiry of the TCC on the Bid Opening Record Form. Validation of tax compliance must be done at the time of bid evaluation and at contract award. Procuring Entities shall use the Taxpayer Registration Number (TRN) and Tax Compliance Number to visit the TAJ's website at www.jamaicatax.gov.jm and access the e-services search and validation facility to authenticate tax compliance. For additional information or assistance, contact Tax Administration of Jamaica's Customer Care Centre at 1-888-TAX-HELP (829-4357).
