Integrity Commission (IC) Responds to the Use of a Fake IC Letterhead to Circulate Information on Social Media

The Integrity Commission wishes to inform the public that representations about two named Members of Parliament and one Mayor are currently being circulated on Social Media, utilizing a fake Integrity Commission letterhead.

The Commission denounces this development as being nothing short of reprehensible, abominable and repulsive.

The Commission is guided by Sections 53 and 56 of the Integrity Commission Act, 2017, which prevent it from commenting on the status of any specific investigation or referral that is related to illicit enrichment. Consequently, any circulation which makes a contrary claim, or which attributes same to the Commission, is categorically fake.

For accurate Integrity Commission related information, or official statements, please refer exclusively to the Commission's website (<https://integrity.gov.jm/>) and official X account (@integrityja).

The Commission apologizes for any confusion that this situation may have caused and appreciates your understanding and cooperation in this matter.

The Integrity Commission operates in full compliance with the Integrity Commission Act and remains steadfast in its commitment to upholding the Rule of Law.
